Completion of Fuel Loading Operations at Kashiwazaki-Kariwa
Nuclear Power Station Unit 6

June 21, 2025
Tokyo Electric Power Company Holdings, Inc.

We commenced fuel loading operations※1 at Kashiwazaki-Kariwa Nuclear Power Station Unit 6 at 1:01 p.m. on June 10※2.

(Announced on June 10, 2025)

We are pleased to announce that the loading of all 872 fuel assemblies was completed at 6:18 a.m. today. As soon as preparations are completed, we will conduct integrity confirmation following the fuel loading.

We will continue to prioritize safety above all else and steadily proceed with each step of the preparations for the restart.

- ※1 Operations to transfer and load fuel assemblies from the fuel pool into the reactor
Kashiwazaki-Kariwa Nuclear Power Station Unit 6, all 872 fuel assemblies were loaded
- ※2 Control rod insertion start time

End
